NOTES:

1. Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ('the Act') 2013 setting out all material facts in respect of item number 3 and the information required pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI (LODR) Regulations'), read with Secretarial Standard on General Meeting (SS-2) issued by Institute of Company Secretaries of India, regarding the Directors seeking appointment/re-appointment in the Annual General Meeting are annexed hereto and both forms part of the Notice.
2. The Board of Directors of the Company has appointed Mr. Varun Mehra, Company Secretary in practice and Partner at MSV & Associates, (Membership No. F11599, CP No. 19212) as the Scrutinizer, for conducting the Annual General Meeting and e-voting process in a fair and transparent manner.
3. The Register of Members and the Share Transfer books of the Company will remain closed from Thursday, 21st September, 2023 to Wednesday, 27th September, 2023 (both days inclusive) for the purpose of AGM.
4. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE AGM IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/HERSELF AND SUCH PROXY/ PROXIES NEED NOT BE A MEMBER OF THE COMPANY.** A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as proxy for any other person or shareholder.

A proxy form for the meeting is enclosed to this report. The proxy form in order to be effective, should be duly stamped, filled, signed and must be lodged with the Company at its registered office at least 48 hours before the commencement of the Annual General Meeting.

5. Corporate members/HUF/Trust, intending to send their authorized representative(s) to attend the AGM, pursuant to Section 113 of the Companies Act, 2013, are requested to send to the Company, a certified true copy of the relevant Board Resolution/Authorisation letter together with the specimen signature(s) of the representative(s) authorised under the said Board resolution/Authorisation letter to attend and vote on their behalf at the Meeting.
6. For convenience of members, an attendance slip is annexed to the notice. Members are requested to affix their signature at the space provided and hand over the attendance slips at the place of meeting. The proxy of a member should mark on the attendance slip as 'proxy'.
7. Members may please note that SEBI has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website at www.bajoriagroup.in. It may be noted that any service request can be processed only after the folio is KYC Compliant. SEBI has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company, for assistance in this regard.
8. SEBI has mandated the submission of PAN, KYC details and nomination by holders of physical securities. Shareholders are requested to submit their PAN, KYC and nomination details to the Company's registrar i.e. M/s Beetal Financial & Computer Services Pvt. Ltd., at beetal@beetalfinancial.com Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant(s). In case a holder of physical securities fails to furnish these details or link their PAN with Aadhaar before the due date,

our registrars are obligated to freeze such folios. The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents. If the securities continue to remain frozen as on 31st December 2025, the registrar / the Company shall refer such securities to the administering authority under the Benami Transactions (Prohibitions) Act, 1988, and / or the Prevention of Money Laundering Act, 2002.

Any Investor who is desirous of transferring shares (which are held in physical form) after April 1, 2019 can do so, only after the shares are dematerialized.

Pursuant to the provisions of Section 108 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of Listing Regulations, in terms of SEBI vide circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 9th December, 2020, the company is pleased to provide to its members facility to exercise their right to vote on the resolutions proposed to be passed in the Meeting by electronic means and the business may be transacted through such voting. The members may cast their votes using an electronic voting system from a place other than the venue of the meeting ("Remote E-voting"). The Resolution(s) passed by Members through e-voting is /are deemed to have been passed as if they have been passed at AGM. The Company has engaged the services of M/s Beetal Financial & Computer Services Pvt. Ltd. and Central Depository Services Limited (CDSL) to provide the e-voting facility.

Please note that remote e-voting is optional and not mandatory. The members who have cast their vote by remote e-voting whether partially or otherwise prior to the Annual General Meeting shall not be allowed to change it subsequently, they may also attend the Annual General Meeting but shall not be entitled to cast their vote again.

The Company has also arranged for physical voting through ballot or polling paper at the AGM for the members who have not cast their vote through remote e-voting.

29. PROCEDURE FOR REMOTE E-VOTING:

The instructions for members for remote voting are as under:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Sunday, September 24th, 2023 at 09.00 AM (IST) and ends on Tuesday, September 26th, 2023 at 5.00 PM (IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Wednesday,

September 20th, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the E-voting Service Providers (ESPs), thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for **Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Other Comprehensive Income / (Loss) (Net of Tax)	(49.16)	27.45
Total Comprehensive Income / (Loss)	(18.24)	427.56

The Company was not required to prepare consolidated financial statements as there were no Subsidiary or associate company as on 31st March, 2023 and there was no change in the nature of business of the Company during the financial year ended 31st March 2023.

2. Performance Review and State of Company's Affairs

The company was mainly engaged in the business of manufacturing and selling LPG Cylinders, Valves & Regulators and rendering refilling services of LPG Gas. Over the past years, The Company's financial performance has drastically been impacted due to certain factors viz Covid 19 and oil company's unsupportive policies. This resulted in low production and Company have incurred heavy losses. To come over this situation, and to mitigate the working capital requirement Board of Directors of the Company had decided to infuse the funds by selling some of its investments during the financial year 2021-22.

The Business was operating under challenging environment during the financial year 2022-23 due to various factors as mentioned above apart from that the high cost of raw material /supplies and the higher Interest Cost are also the factors which lead reduction in borrowing powers of the Company and Banks has reduced the working capital limit of the Company due to recent negative performance of the Company. Considering this challenging phase and unsatisfactory production performance of the Cylinder, Valves and Regulators Unit with continued operational losses in spite of attempts to turn it around, , the Company has closed its operations at the manufacturing unit located at SP – 825, Road No. 14, V K I Area, Jaipur -302013.

The LPG Gas Filling Plant which was non-core additional activity of the Company given on Job work Basis to third party was also disposed during FY 2020-21.

The Company's manufacturing unit has been closed with effect from 09th December, 2022. The Plant and Machinery of the Company had remained close and hence getting obsolete with the period. Hence it was not yielding any benefit to the Company. To reduce the interest cost and to pay off its creditors, the substantial Plant and Machinery of the Factory Situated at SP-825, Road No. 14, VKI Area, Jaipur-302013 was disposed off.

The highlights of the Company's performance are as under:-

Total income for the FY 2022-23 under review was Rs. 1401.68 Lakhs as against Rs. 2239.95 Lakhs in the previous FY 2021-22. The loss before tax for the FY 2022-23 is Rs. -146.80 Lakhs as against Profit of Rs. 432.87 Lakhs in the previous FY 2021-22. The profit after tax is Rs. 30.92 Lakhs for the FY 2022-23 as against Profit of Rs. 400.11 Lakhs in the previous FY 2021-22.

3. Operations:

Production and Sales: During the year under review the production of Cylinders was 52,336 Nos. as compared to the production of 65,689 Nos. during the previous year. There was no production of regulators and valves during the year. During the year under review the sale of Cylinders was 52,336 Nos. During the year under review the sale/consumption of Valves and Regulators were 52,464 Nos. and 494 Nos. respectively. The Gross Sales during the year were recorded as Rs. 931.51 lakhs against Rs. 1139.98 lakhs in the previous financial year. The manufacturing unit of Company located at SP-825, Road No. 14, VKI Area, Jaipur-302013 was inoperative and remained closed with effect from 09th December, 2022. These events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, The Company is in process to appoint a consultant for setting up a new business / project, hence, the financial statements for the year ended 31st March, 2023 have been prepared on going concern basis.

4. Dividend:

The Board of Directors of the Company have decided not to recommend any dividend for the financial year 2022-23.

5. Transfer to Reserve

The Company has transferred an amount of Rs. 11.08 Lakhs from Revaluation surplus to retained earnings for the financial year 2022-23.

6. Deposits

During the year under review, your Company has not accepted any deposit within the meaning of Section 73 and 74 of the Companies Act, 2013, read with the Companies (Acceptance of Deposits) Rule, 2014. There are no outstanding deposits as on 31st March, 2023.

7. Credit Rating

No Credit rating was obtained during the financial year 2022-23. The Company's credit rating for long-term bank facilities during the year 2021-22 was revised from 'CARE B; Stable (CARE Single B; Outlook: Stable)' to 'CARE B-; Stable (CARE Single B minus; Outlook: Stable) denotes Stable Outlook.

8. Particulars of Loans, Guarantees and Investments under Section 186 of the Companies Act, 2013.

The details of loans, guarantees and investments covered under the provisions of Section 186 of the Act, are given in the respective notes to the standalone financial statements of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management presents its analysis report covering performance and outlook of the Company. The report has been prepared in compliance with corporate governance requirements as laid down in the listing agreement. The management accepts responsibility for the integrity and objectivity of the financial statement. However, investors and readers are cautioned that this discussion contains certain forward looking statements that involve risk and uncertainties.

1. INDUSTRY STRUCTURE AND DEVELOPMENT

The company was mainly engaged in the business of manufacturing and selling LPG Cylinders, Valves & Regulators and rendering refilling services of LPG Gas. The Company's financial performance had started dropping 2-3 years ago. The working of our company was adversely affected in previous 3 years due to Covid 2019 and oil company's unsupportive policies. The Production of the Company got down which resulted heavy losses and working capital of company was eroded. To come over this situation, and to meet working capital requirement the company infused some funds by selling its investments during the financial year 2021-22. The Business was operating under challenging environment during the financial year 2022-23 due to various factors such as high cost of raw material /supplies, high Interest Cost and the banks reducing the borrowing powers and then stopping abruptly funding of the working capital have led to the recent negative performance of the Company.

2. OPPORTUNITIES AND THREATS

Considering the unsatisfactory performance of the Cylinder and Valves & Regulators Unit with continued operational losses in spite of attempts to turn it around, making it unviable to continue running the Units and due to paucity of funds to run the manufacturing unit and challenges being faced by the management in running the business and the operations of the Company, the board of director of the Company considered and approved the proposal for closure of operations at the Company's manufacturing unit located at SP - 825, Road No. 14, V K I Area, Jaipur -302013. The LPG Gas Filling Plant which was non-core additional activity of the Company given on Job work Basis to third party was also disposed during FY 2020-21. The Company's manufacturing unit has been closed with effect from 09th December, 2022.

The Plant and Machinery of the Company had remained close and hence getting obsolete with the period of time. Hence it was not yielding any benefit to the Company. To reduce the interest burden of the Company and pay off its creditors, the substantial Plant and Machinery of the Factory Situated at SP-825, Road No. 14, VKI Area, Jaipur-302013 was disposed off.

However, The Company is in process to appoint a consultant for setting up a new business.

3. SEGMENT WISE OR PRODUCT WISE PERFORMANCE

The Performance of the company during the year is as under: -

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF RAJASTHAN CYLINDERS AND CONTAINERS LIMITED

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the standalone financial statements of **Rajasthan Cylinders and Containers Limited ("the Company")**, which comprise the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind-AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- (i) The interest payable u/s 16 of MSMED Act, 2006 and other disclosures of trade payable to micro enterprises and small enterprises has not been ascertained and not provided for. (Refer Note No. 18).
- (ii) Balances of trade payables, trade receivables, Loans given and Unsecured Loans taken are subject to confirmation and consequential adjustments, if any. (Refer Note No. 34).
- (iii) The Company has recognised deferred tax assets amounting to Rs. 539.35 Lakhs as on 31 March 2023, which includes deferred tax assets on carried forward unused tax losses, unused tax credits and other taxable temporary differences on the basis of expected availability of future taxable profits for utilization of such deferred tax assets. However, in view of the history of losses recorded by the Company and no operational segment, we are unable to comment on any adjustments that may be required to the carrying value of aforesaid net deferred tax assets as at 31 March 2023. (Refer Note No. 17)

Had the impact of above qualification in Para (iii), without considering Para (i and ii) for which impact could not be determined, been considered, the total comprehensive income for the year would have been Rs. -557.59 Lakhs as against reported total comprehensive income of Rs. -18.24 Lakhs and other equity would have been Rs. 877.46 Lakhs as against the reported figure of Rs. 1416.81 Lakhs and Deferred Tax Assets would have been Rs. Nil as against reported figure of Rs. 539.35 Lakhs.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Material Uncertainty related to Going Concern

The company has closed the operations at the Company's manufacturing unit located at SP – 825, Road No.14, VKI Area, Jaipur -302013 w.e.f 9th December, 2022 due to unsatisfactory performance of the company with continued operational losses. The company has disposed off substantial Plant & Machinery in one or more tranches. These events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, consent of Board of Directors is accorded to appoint a consultant for setting up a new business and the company is in process of appointment of a consultant for setting a new project, hence, the financial statements have been prepared on going concern basis. (Refer Note 35)

Key Audit Matters

Key Audit Matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Qualified Opinion section, we have determined that there are no key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. Except for the effects of the matters described in the basis for qualified opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d. Except for the effects of the matters described in the basis for qualified opinion paragraph above, in our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. The qualification relating to the maintenance of account and other matters connected there with are as stated in the 'Basis for Qualified Opinion' paragraph.
 - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses a modified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - h. With respect to the matter to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended,:
In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
 - i. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at 31st March 2023 on its financial position in its standalone financial statements - Refer Note 33 to the standalone financial statements;
 - ii. The Company did not have any long term contracts including derivative, contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the FY 2022-23. Hence, the provisions of section 123 of Companies Act, 2013 does not apply.

ANNEXURE - A FORMING PART OF THE INDEPENDENT AUDITOR'S REPORT OF RAJASTHAN CYLINDERS AND CONTAINERS LIMITED

Referred to in paragraph under the heading of "Report on other Legal & Regulatory Requirements" of our report of even date to the Members of Rajasthan Cylinders and Containers Ltd. on the standalone financial statement for the year ended March 31st 2023;

- (i) (a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(B) The company does not have any intangible assets, hence reporting under this clause is not required.

- (b) As explained to us, the company has a phased program for physical verification of Property, Plant and Equipment and right-of-use assets. In our opinion, the frequency of verification is reasonable, considering the size of the company and nature of its Property, Plant and Equipment and right-of-use assets. Pursuant to the program, physical verification has been carried out during the year and no material discrepancies have been noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company except for the following:

Description of Property	Gross Carrying Value Rs in Lakhs	Held in name of	Whether promoter, director or their relative or employee	Period Held Since	Reasons for not being in the name of the company
Flat No. ACR 2 & 3, Road No 9A, VKIA, Jaipur	9.66	M/s Rajasthan Synthetics Industries Ltd	No	31.07.09	The seller was allotted these flats by RIICO, but could not get title deed (lease agreement). However, the said flats have been sold through registered sale agreement.

- (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories lying at its location has been physically verified by the management at reasonable intervals during the year, except for goods in transit and those lying with third parties. In our opinion and according to the information and explanation given to us, the coverage and procedure of such verification by the management is appropriate having regard to the size of the company and the nature of its operation. Management has not found discrepancies of 10% or more in the aggregate for each class of inventories on such physical verification of inventories when compared with books of account.

- (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital limits in excess of Rs. 5 crore, in aggregate, from banks or financial institutions on the basis of security of current assets, and hence reporting under clause (ii)(b) of the Order is not applicable.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year the Company has not made any investments in, provided any guarantee to companies, firms, limited liability partnerships or any other parties. However, the Company has granted loans and advances in the nature of loans and provided security to companies, firms, limited liability partnership and other parties during the year.
- (a) The company has provided loans/ advances and security to parties other than subsidiaries, joint ventures and associates, the details of which are given below:

Particulars	Security	(Rs. in Lakhs)
		Loans/ Advances (including interest)
(i) Aggregate amount granted/provided during the year	1000.00	456.81
(ii) Balance outstanding as at balance sheet date in respect of above cases	Figures not provided	812.31

- (b) The company has not made any investment, provided guarantee during the year. However, the company has provided security and loans and advances during the year and terms and conditions of the grant of all loans and advances in the nature of loans during the year are, in our opinion, prima facie, not prejudicial to the company's interest but the company has provided security by way of equitable mortgage for securing loan of Rs. 1000.00 lakhs to related parties. In case of default by related parties, the security provided may be securitized by the bank.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of unsecured loans given, schedule of repayment of principal and payment of interest has not been stipulated and repayments or receipts are on demand basis.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans and advances in nature of loan given as the company has not demanded the loans.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, no fresh loan has been granted or renewed to settle the overdues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has granted loans repayable on demand or without specifying any terms or period of repayment.

Particulars	All parties	Promoters	Related Parties
Aggregate amount of loans/ advances in nature of loans			
- Repayable on Demand (A)	812.31	148.02	2.01
- Agreement does not specify any terms or period of repayment (B)	-	-	-
Total (A+B)	812.31	148.02	2.01
Percentage of Loans/ advances in nature of loans to the total advances	100.00	18.22	0.25

(Refer Note No. 5 & 6 of Financial Statements)

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans, investments and guarantees made, as applicable except security by way of equitable mortgage on the immovable property of the company in favour of a bank for securing loan of Rs. 500.00 lakhs to Managing Director of the company and Rs. 500.00 lakhs to relative of Managing Director, to this extent the company has not complied with provisions of sections 185 of the Act.
- (v) As per information and explanations given to us, the company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Section 73 to 76 of the Act, and the rules framed thereunder. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) As explained to us, the Central Government has not prescribed maintenance of the cost records under section 148(1) of the Companies Act, 2013 in respect to the company's products.
- (vii) (a) According to the records of the company produced for our verification, the company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, custom duty, excise duty, value added tax, Goods and Service Tax, cess and any other statutory dues to appropriate authorities wherever applicable. According to the information and explanation given to us, no undisputed arrears of statutory dues were outstanding as on 31/03/2023 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues in respect of Income Tax, Sales Tax, Service Tax, Custom duty, Excise duty, Value added Tax, Goods and Service Tax that have not been deposited on account of dispute.

- (ix) (a) According to the records of the Company and information given to us, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) According to the information and explanations given to us and based on the records of the company, the company has not been declared willful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence, the requirement to report on clause 3(ix)(f) of the Order is not applicable to the Company.

- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) According to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the course of our audit. Hence clause (xi)(a) of the order is not applicable.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) No whistle -blower complaints were received by the company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports issued to the Company during the year and covering the period up to 31 March 2023 for the period under audit.
- (xv) According to the information and explanation given to us and based on our examination of records of the company, the company has not entered into any non cash transaction with the directors or person connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a) and (b) of the Order is not applicable.

Annexure - B to the Independent Auditor's Report on Standalone Financial Statements of Rajasthan Cylinders and Containers Limited**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Rajasthan Cylinders and Containers Limited ("the Company") as of 31st March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or

timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis of Qualified Opinion

According to the information and explanation given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2023:

1. The company's internal financial control were not operating effectively in respect of assessing interest payable under MSMED Act, 2006 and other disclosures of trade payable to micro enterprises and small enterprises has not been ascertained and not provided for which could potentially result in company not recognizing possible interest on this account.
2. The company's internal financial controls were not operating effectively in respect of balance confirmation of trade payables, trade receivables, Loans given and Unsecured Loans taken.
3. The Company has recognised deferred tax assets amounting to Rs. 539.35 Lakhs as on 31 March 2023, on the basis of expected availability of future taxable profits for utilization of such deferred tax assets. However, in view of the history of losses recorded by the Company and no operational segment, we are unable to comment on any adjustments that may be required to the carrying value of aforesaid net deferred tax assets as at 31 March 2023

Material weakness is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, except for the possible effects of the material weaknesses described above and on the achievement of the objectives of control criteria, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the standalone financial statements of the Company for the year ended March 31, 2023 and these material weaknesses have affected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the financial statements.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimate is revised and future periods affected.</p> <p>Critical estimates and judgments</p> <p>i. Property, plant and equipment Useful lives of PPE is based on the life prescribed in Schedule II of the Companies Act, 2013. The Company reviews its estimate of the useful lives of PPE at each reporting date, based on the expected utility of the assets.</p> <p>ii. Recognition of deferred tax assets The extent to which deferred tax assets can be recognised is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.</p> <p>iii. Recognition and measurement of defined benefit obligations The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy.</p> <p>iv. Provisions and contingent liabilities The Company exercises judgment in measuring and recognizing provisions and the exposures to contingent liabilities related to pending litigation or other outstanding claims subject to negotiated settlement, mediation, arbitration or government regulation, as well as other contingent liabilities. Judgment is necessary in assessing the likelihood that a pending claim will succeed, or a liability will arise, and to quantify the possible range of the financial settlement. Because of the inherent uncertainty in this evaluation process, actual losses may be different from the originally estimated provision.</p> <p>v. Fair Value Measurements Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.</p>

2.4	<p>Classification of Assets and Liabilities as Current and Non-Current</p> <p>All Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of product & activities of the Company and their realization in cash and cash equivalent, the Company has determined its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.</p> <p>Deferred tax assets and liabilities are classified as non-current assets and liabilities.</p>
2.5	<p>Revenue Recognition</p> <p>Revenue is measured based on transaction price received or receivable, net of returns and rebates. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity.</p> <p>Value added tax (VAT)/ Goods and Service tax (GST) is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.</p> <p>Sale of goods/ Other Operating Income</p> <p>Revenue from sale of products is recognised when the significant risks and rewards in respect of ownership of products are transferred by the Company as well as the controls on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.</p> <p>Interest income</p> <p>Interest income is recognised on time proportionate basis taking into account the amount invested and the rate of interest. For all interest bearing financial assets measured at amortised cost, interest income is recorded using the effective interest rate (EIR).</p> <p>Rendering of Services</p> <p>Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.</p> <p>Dividend income</p> <p>Dividend income from investments is recognised when the shareholder's right to receive payment has been established.</p> <p>Rental Income</p> <p>Rental income is recognised on accrual basis in accordance with agreement.</p> <p>Value Added Tax refund is recognized when it becomes refundable.</p>
2.6	<p>Inventories</p> <p>Raw Material, Stores & Spares including packing material, Work In Progress, Finished Goods and Scrap are valued at the lower of cost and net realisable value. Cost is determined on weighted average basis.</p> <p>In respect of Raw materials, Stores & Spares including Packing material: Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.</p> <p>In respect of Finished goods and work in progress: Cost includes cost of materials, labour and those overheads that have been incurred in bringing the inventories to their present location and condition.</p> <p>Net realisable value is the price at which the inventories can be realised in the normal course of business after allowing for the cost of conversion from their existing state to a finished condition and for the cost of marketing, selling and distribution.</p>
2.7	<p>Property, Plant & Equipment</p> <p>Property, plant and Equipment are initially recognized at cost including the cost directly attributable for bringing the asset to the location and conditions necessary for it to be capable of operating in the manner intended by the management. After the initial recognition the property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. Any gain or loss on disposal of an item of property, plant and equipment is recognized in the statement of profit and loss.</p> <p>Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.</p> <p>The Company has opted for an exemption provided by the Indian Accounting Standard (Ind AS)-101. Accordingly the carrying value for all Property, plant and equipment recognized in the</p>

	<p>financial statements, as at the date of transition to Ind AS i.e 01.04.2016 measured as per previous GAAP and use that carrying value as deemed cost of Property, plant and equipment. Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date.</p> <p>Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on PPE has been provided, pro rata for the period of use, on straight line method over the useful lives of the property, plant & equipment as prescribed in Schedule II of the Companies Act, 2013.</p> <p>The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Profit and loss on disposals are determined by comparing proceeds with carrying amount. These are included in statement of profit and loss.</p>
2.8	<p>Leases</p> <p>The Company has applied Ind AS 116 using the modified retrospective approach and therefore the comparative information has not been restated and continues to be reported under Ind AS 17.</p> <p><u>As a lessee</u></p> <p>The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.</p> <p>The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any.</p> <p>The lease liability, if any, is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate.</p> <p>The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.</p> <p><u>Short-term leases and leases of low-value assets</u></p> <p>The company has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.</p> <p><u>As a lessor</u></p> <p>Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term. The respective leased assets are included in the balance sheet based on their nature. However, there are no assets which are given on lease as a lessor.</p>
2.9	<p>Impairment of Non Financial Assets</p> <p>The Property, Plant and Equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.</p> <p>For the purposes of assessing impairment, the assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash inflows from other assets or groups of assets (cash generating units). Non-financial assets other than goodwill that suffered an impairment loss are reviewed for possible reversal of impairment at the end of each reporting period. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.</p>

2.10	<p>Financial Instruments</p> <p>A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.</p>
2.10.1	<p>Financial Assets</p> <p>a. Classification</p> <p>The company classify its financial assets in the following measurement categories:</p> <ul style="list-style-type: none"> • Those to be measured subsequently at fair value (either through other comprehensive, or through Statement of profit and loss), and • Those measured at amortised cost. <p>The classification depends on the company's business model for managing the financial assets and the contractual terms of the cash flows.</p> <p>b. Initial Recognition and Measurement</p> <p>All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place [regular way trades] are recognised on the settlement date, i.e., the date that the Company settles to purchase or sell the asset.</p> <p>c. Subsequent Measurement:</p> <p>For purposes of subsequent measurement, financial assets are classified in following categories:</p> <p>i) Debt Instrument at amortised cost: 'Debt instrument' is measured at the amortised cost if both the following conditions are met: (a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and (b) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding. After initial measurement, financial assets are subsequently measured at amortised cost using the EIR method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.</p> <p>ii) Debt Instrument at FVTOCI: Debt instruments are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Debt instruments included within the FVTOCI category are measured at fair value with all changes recognized in the Other Comprehensive Income.</p> <p>iii) Debt Instrument at FVTPL: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.</p> <p>iv) Equity Instruments measured at FVTOCI or FVTPL: All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and loss.</p> <p>v) Equity instruments measured at Cost: Equity investments in subsidiaries / joint ventures / associates are accounted at cost.</p> <p>d. Derecognition:</p> <ul style="list-style-type: none"> • A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

	<p>i. The rights to receive cash flows from the asset have expired, or</p> <p>ii. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.</p> <p>The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.</p> <ul style="list-style-type: none"> • When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained. • Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay. <p>e) Impairment of Financial Assets: In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:</p> <p>i) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.</p> <p>ii) Trade receivables - The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.</p>
2.10.2	<p>Financial Liabilities and Equity instruments</p> <p>(i) Classification Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.</p> <p>Equity Instruments An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.</p> <p>Financial Liabilities The Company classifies its financial liabilities in the following measurement categories:</p> <ul style="list-style-type: none"> • those to be measured subsequently at fair value through profit or loss, and • those measured at amortised cost. <p>Financial liabilities are classified as at FVTPL when the financial liability is held for trading or it is designated as at FVTPL, other financial liabilities are measured at amortised cost at the end of subsequent accounting periods.</p> <p>(ii) Measurement</p> <p>Equity Instruments Equity instruments issued by the Company are recognised at the proceeds received. Transaction cost of equity transactions shall be accounted for as a deduction from equity.</p> <p>Financial Liabilities At initial recognition, the company measures the financial liability at its fair value net of, in the case of the financial liability not at fair value through profit or loss, transaction costs that are directly attributable to the issue of the financial liability. Transaction costs of financial liability carried at fair value through profit or loss are expensed in profit or loss. Subsequent measurement of financial liabilities depends on the classification of financial liabilities.</p> <p>There are two measurement categories into which the company classifies its financial liabilities:</p>

	<ul style="list-style-type: none"> • Fair value through profit or loss (FVTPL): Financial liabilities are classified as at FVTPL when the financial liability is held for trading or it is designated as at FVTPL. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognized in profit or loss. • Amortised cost: Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance Costs' line item. <p>(iii) Derecognition of financial liabilities: A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of profit and loss.</p>
2.10.3	<p>Offsetting of financial instruments Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is as intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.</p>
2.11	<p>Foreign currency transactions and translation Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit and loss.</p> <p>Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.</p>
2.12	<p>Employee Benefits Short Term Employee Benefits Short term employee benefits consisting of wages, salaries, social securities contributions, ex-gratia and accrued leave, are benefits payable & recognised in twelve months. Short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised undiscounted during the year as the related service are rendered by the employee.</p> <p>Defined contribution plans Defined contribution plans Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.</p> <p>Defined benefit plans For defined benefit retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each balance sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income. The service cost and net interest on the net defined benefit liability/(asset) is treated as a net expense within employment costs. Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier. The retirement benefit obligation recognised in the balance sheet represents the present value of the defined-benefit obligation as reduced by the fair value plan assets. Compensated absences Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised based on actuarial valuation at the present value of the obligation as on the reporting date.</p> <p>As required by Ind AS 19 'Employee Benefits', the discount rate used to arrive at the present value of the defined benefits, obligations is based on the Indian government security yields</p>

	prevailing as at the Balance Sheet date that have maturity date equivalent to the tenure of the obligation.
2.13	<p>Taxes on Income</p> <p>Tax expense comprises current and deferred tax. It is recognised in Statement of profit and loss except to the extent it relates to the items recognised directly in equity or in OCI.</p> <p><u>Current tax</u></p> <p>Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.</p> <p>Current tax assets and liabilities are offset only if:</p> <p>(a) There is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income tax levied by the same taxation authority.</p> <p>(b) There is intention either to settle the asset and liability on a net basis.</p> <p><u>Deferred Tax</u></p> <p>Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.</p> <p>The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.</p> <p>Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax items are recognised in correlation to the underlying transaction either in statement of profit and loss, other comprehensive income or directly in equity as applicable. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and when the deferred tax balances relate to the same taxation authority.</p>
2.14	<p>Provision, Contingent Liabilities & Contingent Assets</p> <p>A. Provisions are recognised when the Company has a present obligation as result of past events and it is probable that the outflow of resources will be required to settle the obligation and in respect of which reliable estimates can be made. A disclosure for contingent liability is made when there is a possible obligation that may, but probably will not require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision/ disclosure is made. Provisions and contingencies are reviewed at each balance sheet date and adjusted to reflect the correct management estimates. Contingent assets are neither recognised nor disclosed in financial statements. However, when the realization of income is virtually certain, then the related asset is not a contingent assets and its recognition is appropriate.</p> <p>B. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate, the risks specific to the liability.</p>
2.15	<p>Segment Reporting</p> <p>Operating segments are reported in a manner consistent with the internal reporting provided to the chief decision maker being MD of the company. The MD assesses the financial performance and the position of the company as a whole, and strategic decisions.</p> <p>The accounting policies adopted for Segment reporting are in line with the accounting policies of the Company with the following additional policies:</p> <ul style="list-style-type: none"> • Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market/fair value factors. • Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the Segment. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under "Un-allocated Corporate expenses".

2.16	<p>Earnings Per Share</p> <p>Basic earnings per Share Basic earnings per share is computed by dividing the profit/(loss) after tax by the weighted average number of equity shares outstanding during the year.</p> <p>Diluted earnings per share Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.</p>
2.17	<p>Cash Flow Statement Cash flows are reported using the indirect method, as set out in Ind AS 7 'Statement of Cash Flows', whereby profit/(loss) before tax for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.</p>
2.18	<p>Cash and Cash Equivalents For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, cheque on hand, balance with bank on current account and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.</p>
2.19	<p>Government Grants Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attaching to them and that the grant will be received. Government grants related to revenue are recognised on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate. Such grants are deducted in reporting the related expense. When the grant relates to an asset, it is recognized as income over the expected useful life of the asset.</p>
2.20	<p>Borrowing Costs General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. The borrowing costs other than attributable to qualifying assets are recognised in the profit or loss in the period in which they incurred.</p>
2.21	<p>Fair Value Measurement The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.</p> <p>All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:</p> <p>Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities</p> <p>Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.</p> <p>Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.</p>

Note 35: MATERIAL UNCERTAINTY

The company has closed the operations at the Company's manufacturing unit located at SP – 825, Road No.14, V K I Area, Jaipur -302013 w.e.f 9th December, 2022 due to unsatisfactory performance of the company with continued operational losses. The company has disposed off substantial Plant & Machinery in one or more tranches. These events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, consent of Board of Directors is accorded to appoint a consultant for setting up a new business and the company is in process of appointment of a consultant for setting a new project, hence, the financial statements have been prepared on going concern basis.

Note 36: LEASES

Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at an amount equal to the lease liability recognized.

Ind AS 116 will result in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
4. Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.

The weighted average incremental borrowing rate applied to lease liabilities is 9.85 % p.a.
Changes in the carrying value of right to use assets are stated in Note No. 3(ii)

Movement in lease liabilities is as follows:**(Rs. in Lakhs)**

Note 42: FINANCIAL INSTRUMENTS**i. Fair Value Hierarchy**

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are whether observable or unobservable and consists of the following three levels:

- Level 1:** Inputs are quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2:** Inputs are other than quoted prices included within level 1 that are observable for the asset or liability either directly (i.e. prices) or indirectly (i.e. derived from prices).
- Level 3:** Inputs are not based on observable market data unobservable inputs. Fair value are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The investment included in Level 3 of fair value hierarchy has been valued using the cost approach to arrive at their fair value. The cost of unquoted investment approximate the fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.

B FINANCIAL RISK MANAGEMENT

The company is exposed to credit risk, liquidity risk, market risk and commodity risk. The company has a risk management policy which covers risks associated with the financial assets and liabilities. The company's risk management is managed in close cooperation with the Board of Directors and focus is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the company.

i. Credit risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The Company is exposed to credit risk mainly from trade receivables, other financial assets like security deposits, bank deposits and loans. Security deposits and bank deposits are mostly with banks, hence the company does not expect any credit risk with respect to these financial assets. Loans are given for business purposes and the company reassess the recoverability of loans periodically and interest recoveries from these loans are regular and there is no event of default. Trade receivables includes significant portion of dues from state government corporations, hence, probability of default is remote. Credit risk on trade receivables is managed by the Company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The ageing of trade receivables at the reporting date are as follows:

	13.67	139.28
<i>Provision for -credit impaired</i>	-	(9.98)
Total	13.67	129.30

ii. Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

The table summarises the maturity profile of company's financial liabilities based on contractual undiscounted payments.
